Warranty Statement

HC Security Products are backed by a limited lifetime warranty with the exception of the HI-POWER DC units, which has only a two year warranty. If a product should fail under normal use and is returned to us, it will be repaired or replaced with a new or refurbished product of the same type, at the discretion of HC Security Products. In the event of the product being discontinued or unavailable, HC Security Products may replace it with a product of equal or better performance.

In the case of products returned to HC Security Products in damaged condition, indicating improper use, a charge will be made for repair or replacement.

To be eligible for warranty coverage, returned products must be assigned a Return Authorization number issued by HC Security Products.
